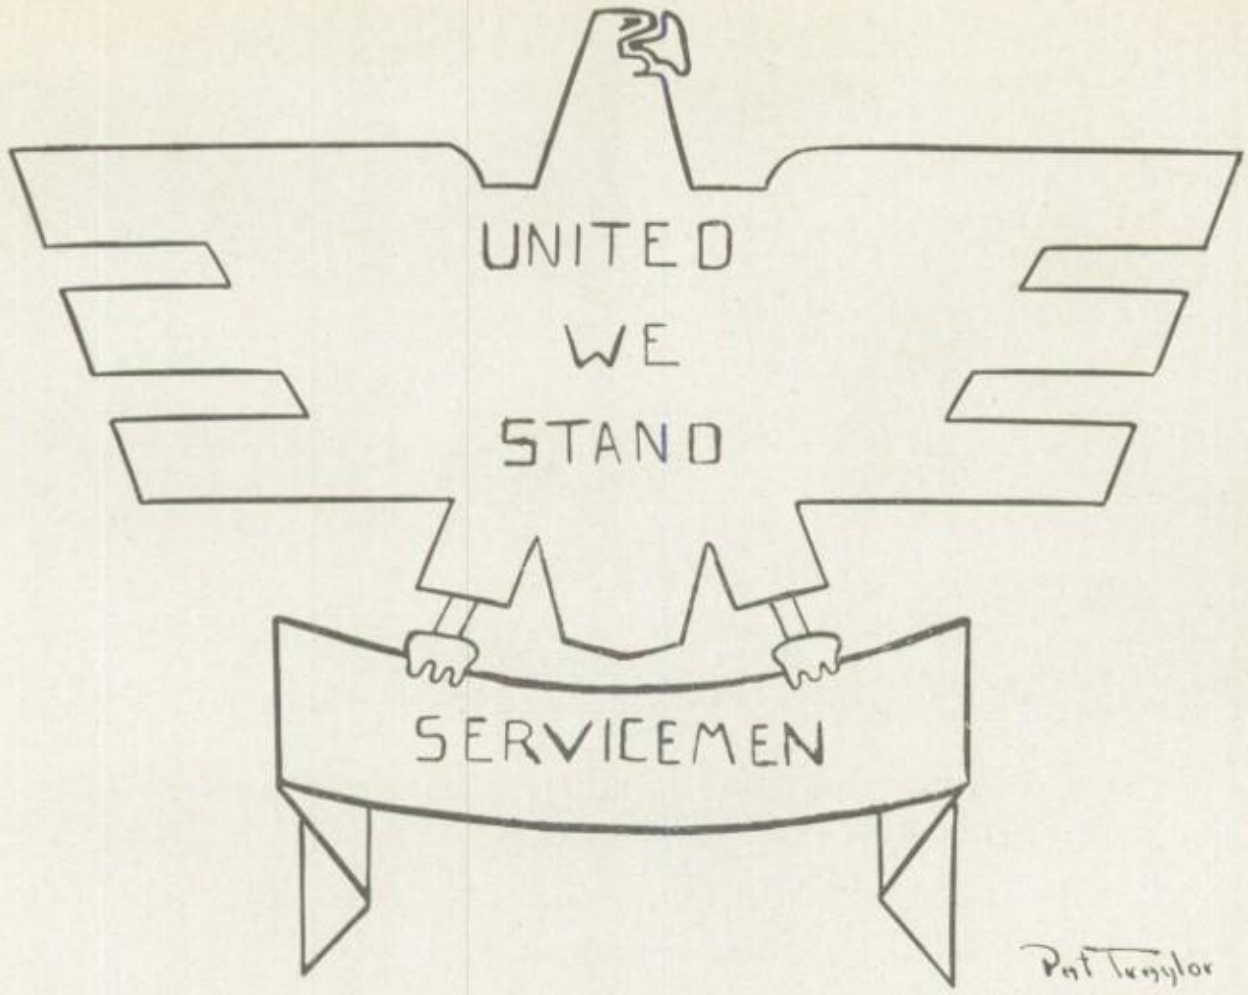
Editor's Note

"The essential qualities of a true Pan Americanism must be the same as those which constitute a good neighbor; namely, mutual understanding and, through such understanding, a sympathetic appreciation of the other's point of view. It is only in this manner that we can hope to build up a system of which confidence, friendship and good will are the cornerstones . . . . Each one of us must grow by an advancement of civilization and social well-being and not by the acquisition of territory at the expense of any neighbor."

—Franklin Delano Roosevelt

It was this speech by our President that inspired us to make the theme of this annual PAN AMERICANISM.



In the past two years our school and school life have changed drastically from a happy carefree, frolicking one to a starkly realistic one. Courses have been added in mathematics, science, and languages to take care of the armed service demands. Many extra-curricular activities have been suspended as we have suddenly become aware of the needs of our country.

Some high school boys have quit school to go to the army and to work in defense plants. Others have been drafted, and the rest have been awakened sharply to the fact that an education is all-important. Army, Navy, and Marines tests of all types have been given the students. Some few have passed and have been made officers. The rest, our friends and buddies of yesterday, have become men overnight. Some are heroes, some, battle-scarred, but all are fighting men. Our brothers, our fathers, our sweethearts, and our buddies are living, fighting, and dying for that day when peace will return to the earth, and the peacetime pleasures that they enjoyed when in school can once more be resumed.

It is to these, our noble fighting men and to our honored dead, that we, the students of Plainview High, dedicate this yearbook for 1944.

To the Board of Education whose interests in the activities of the school, whose loyalty to the faculty and student body and whose cooperation in the administration of the various phases of school life, we, the members of the annual staff and of the high school, wish to express our sincerest appreciation for the wholesome atmosphere and genuine school spirit which you have thus created. We thank you for your encouragement and support, which has made it possible for us to publish this annual.

THE PLAIN VIEW '44

Superintendente

To The Students of Plainview High:

According to information from the Federal Office of Education there are more than a million fewer students in the public high schools this year than there were two years ago.

It is obvious that the armed services, slightly, but war work, shortage of labor and high wages to a greater extent, are responsible for this decrease.

At the Plainview High School the picture is different. The population of the area that our high school serves is about the same as it was last year, but our high school inrollment has actually increased 6.5%. The Principal reported a few weeks ago that the attendance was better for this time of the year than it ever has been and that the pupils are unusually earnest and puposeful in their work.

For this noble record, I wish to extend to you my sincere congratulations. This indicates that, in spite of monetary temptation on every hand, you are determined to get an education. This indicates that you are mindful of the fact that anyone can get a job now but that in the future, when competition will be keen, only those who have the best training will hold the most desirable positions. Such determination and such planning will enable you to block, tackle and carry the ball in the game of life.

Sincerely yours,
O. J. Laas

Director

To all of the pupils of Plainview High School, and to all of our ex-students we extend this annual reminder of our faith in you, in the cause of education, and our hopes for your future. At this moment most of our pupils are forced to plan their education, and their lives, for the pursuit of war. Our ex-students are in the far parts of the world or are in training to go to these places. We believe that we are helping those who are yet with us to train themselves to be better citizens. We believe that those who are far away are better for having spent some time in Plainview High School. We are persuaded that the time spent in education has been a profitable investment for every one of the thousands of our former students.

We hope that your spirit has grown great and more noble as your knowledge has increased. We hope that you may all be privileged to return to Plainview, or another place of your choice, to work diligently at peacetime vocations and to build homes where love and good humor are ever present.

Yours Sincerely,

R. W. Davidson

Senior Class History

At last we have gained enough knowledge to be called by that dignified name "Seniors!" We are the class of '44 We are the first to have completed 12 grades of school.

Under the sponsorship of Mrs. Snyder and through the Senior Executive Committee, the Senior Class has carried on the Senior business. At the beginning of the school year Bettye Jane Ewen was elected president of the Senior Class; Bob Horne, vice-president, Sammy Hall, treasurer; Maxine Brown, secretary.

As our favorites we chose Maxine Brown and J. Waring Walker.

We have been well represented in all organizations in P. H. S. such as Hi-Y, Girl Reserve, Cheer Leaders, National Honor Society, Football and Basketball teams.

The Senior Play, "Run Hero Run" under the direction of Miss Fredice Mires, proved to be one of the most outstanding attractions of the year.

On May 12, 1944 the Seniors enjoyed one of the best Banquets that has every been given, and we also had our Senior Picnic on May 10th.

We, the Seniors of '44, are leaving P. H. S. and here we leave a part of us. We are depending on you underclassmen to carry on. Don't let us down. Keep the spirit of P. H. S. high for all who are leaving and those who are to follow.

Class Prophecy

May 15, 1964

Dear Diary:

What an exciting day this has been! Seeing all of our old Senior class of '44. I could hardly believe that these dignified men and matronly housewives were the same boys and girls I went to school with.

This morning I climbed aboard the Queen Elizabeth Air Ship to attend our class reunion and who would I see first but Winnie Golden, as the hostess and our pilot was none other than Bob McDaniel. Sitting next to me was June Oxford. She had come from New York, where she is Editor of the New York Times. We talked for a while about dear ol' school days and she told me about several of the P. H. S. Grads. Sammy Hall is a bouncer in a New York nite club, owned by Wayne Hopper. Wendlan Churchwell is a farmer who talks mostly about his pigs and wheat crops. Cloyce Terrell and Vernon Collins are both preachers. They are on a nationwide tour, creating a great sensation. During the conversation, June casually mentioned her $1,000,000, 20 room home, which was built by Glen Gipson, Lewellyn Hooper, and Joe Paul Degge.

Upon arriving in Plainview we took a taxi driven by Joe Owens to the Ever Lite Hotel. Leo Baxter came to get our bags and took us to see the owner, Bert Roberts. After talking with Bert for a few minutes we found that John Thomas Boyd was Mayor and then we continued on our way to P. H. S. On the way we passed a beautiful blonde who seemed familiar. It was none other than Rosa Lee Waddell, now a chorus girl in Hollywood. Lois Franklin is another young woman with her name in lights. Her fame has come as a good piano player.

Some of my classmates have settled down to more prosaic professions. J. Waring Walker is a doctor and owns half interest in the Plainview Hospital. Curtis Parker owns the other half and Bettye Martin is head nurse. Geraldine Sisk is a soda jerker in Olin Reddell's drug store.

We passed a beautiful undertaking establishment and on the sign I saw the name Billy Felton. I hear he is in partnership with Dr. Walker. Oh, yes! Lamar Jones is a dentist; most of his patients are women. When I inquired about Bettye Jane Ewen I learned she is a foreign missionary in China.

Looking across the beautiful campus of P. H. S., I saw a young woman passing out cigars and patting peopld on the back. It was Dorothy True, running for mayor. From another direction I saw Otero Brown coming toward us. She told us she was teaching Homemaking. Frances Underwood is carrying on the tradition of the family and teaching math. Donald McCarroll and John Mason are coaching a football team that beat both the Sandies and Westerners the same season.

Back at the hotel we called the date bureau and asked for two dates so we could see the town. When our escorts arrived they were Bob Horne and Lee Scrivner. First we went to the new skating rink which was owned by Wesley McCulloch. The records played were by Evelyn Ogden and her all girl orchestra. A floor show was given by Louise Brown, Melba Jean Yancey, Frances Scheele, and Bonnie May Roberson.

After the floor show Mary Belle Blackwell took us over to Glenn Terrell who put on skates.

Everyone rushed to the door as the famous movie actor, Bobby Winkels entered. He is here visiting Johnny and Donald and the P. H. S. football team. Standing near Bob was Claude Pruitt, who is now selling sheet music at Lily Marie Gilbert's Music Shop. Skating around and around was Elsie Faye Dayton, the society gossip column editor and Harold Reese, the editor of the Plainview Evening Herald.

Maxine Brown and Mildred Damron glided to the curb in a long limousine. They are now proprietors of a coast to coast chain of beauty parlors. Coming later were Erwin Adams, owner of a famous ranch in the west, Emma Faye Guy, proprietor of the Fashion Shop, and Joe Culpepper, highway patrolman. Mildred Britton, wearing a very long face, came up to me, When I asked her why, she told me she had just ruined her last pair of graduation hose, 20 years old. Lois Reiser, now living in New York, is resting after writing the most famous book of the year, "How to Pick Your Man." Patsy Williams is a college professor at S. M. U.

At last I found who I had been looking for, Mrs. Snyder, Miss Wiles, and Mr. Davidson. They were sitting in a corner smoking corn pipes and talking of the good ole days in 1944.

Many Juniors of the class 1943-44 are pondering over the question of graduation. So much has happened throughout the last year to make us hesitant; however there are many of our class students that find it necessary to graduate this year. Even though the Junior year will be the last year for some students of Plainview High School, it will be one we will all remember.

Our school term has been conducted under the officers of the class. John Thomas Boyd, president; Thomas Field, Vice-President; Lou Watson, Secretary; and Mrs. Willie Merle Haithcock, sponsor. They have all done much to make this year a success.

In the field of sports Junior boys and girls have been among the first. The Junior class was well represented on the football team, fighting as all Bulldogs do. Three of the five cheer leaders were Juniors and we had some outstanding Juniors on the Basketball team.

We elected Jo Ann Alexander and Fillmore Hendrix as the favorites of our class, and Rhoda Mulkey and Jo Ann Alexander were chosen as school favorites.

The Juniors had two assemblies this year instead of the usual one. They were both enjoyed by everyone.

We planned a banquet for the seniors that we hope they will not forget soon.

The Juniors were given a picnic which we all enjoyed.

Our class has gained a name for itself because we always acomplish anything we undertake. We are looking forward to next year when we will undertake the responsibility of the Senior class for we feel certain we are able to carry on and make new traditions for Plainview High School.

CLASS WILL

The Senior Class of Plainview High School being of sound and disposing mind does make and publish its last will and testament hereby revoking any will made heretofore.

Bob Horne, PHS's best all-around boy, bequeaths his winning personality to Bob Irby.

June Oxford leaves those beautiful brown eyes to Vi Zeigler.

Evelyn Ogden wills the Pep Squad to Inez Andrews and leaves to be with Bob Winkels.

Robert Tipton is too stingy to leave PHS anything but his broken down chair in Chemistry. This he leaves to Greer Dellis if Greer gets up enough nerve to take Chemistry.

J. Waring leaves the Physical Lab. and annual to some "lucky" Junior who can take it without having a nervous breakdown.

Joe Owens leave his dare-devil driving to Clyde Autry.

Maurine Borchardt regretfully leaves PHS, and she will take her braids with her. Tough luck, Juniors.

Bob McDaniel, Bert Roberts, and Olin Reddell leave the Bulldogs to Emmett Myers, Jack Williams and James Russell along with the ability to beat Amarillo and Lubbock. (we hope)

Bonnie Mae Roberson wills her ability to get in the last word to Rhoda Mulkey. Not that Rhoda needs it!

Joe Paul Degge leaves his days of driving the school bus to John Thompson.

Louise Brown leaves the D. O. class to Betty Jo Smith.

Curtis Parker leaves the flag for Fillmore Hendrix to carry for the Band and assembly. That is if Fillmore can leave his flute long enough.

Harry McLaurin leaves his five excused absences to Bobby Gentry.

Dorothy True leaves her work in the office to Pat Traylor.

Frances Underwood gladly leaves her ability to learn poetry to some Soph. There doesn't seem to be any Juniors capable of that responsibility.

Edwin Adams wills his cute little car to Billy Weeks. That is if Billy's car lasts that long.

Geraldine Sisk leaves her sweet little dimple-like smile to Lou Watson.

Lois Franklin hates to leave anything but finally decided to leave her piano playing to Sue Son. That's a pretty big order but Sue's a capable girl.

Billy Felton leaves his hair dying tricks to Ernie Miller or vice versa.

Betty Stubblefield leaves Mrs. Akeson to the Juniors. That is if Mrs. Akeson can stand it another year.

Sammy Hall leaves his beautiful red hair to Betty Kingery.

Lois Reiser leaves her place in the Senior Play to Betty Jones.

Mary Evelyn Nease wills her drum sticks and place in the band to Newell Sanford.

Mildred Britton leaves her pin-up men to Kate McCulloch. Kate will no doubt make use of them.

Dorothy Hopkins, Mary Bell Blackwell, Mildred Dameron and Elsie Faye Dayton just leave.

Rosa Lee Waddell leaves her quiet ways, winning personality, and above all, that blond hair, to Jo Ann Alexander. (Did I say quiet ways? Well winsome ways anyhow.)

John Mason leaves Gloria Perkins, but not to any wolf of PHS.

Lamar Jones leaves his ability to not understand geometry to anyone smart enough to try that course next year.

Martha Jo Wesson and Dorothy Jo Smith regretfully leave their good times in class to Mary Jo Harrell and Eleanor Hooper.

Harold Reese wills his take it easy atitude to Don Hart.

Richard Pearlman wills his place in the band to Loyd Greenwood.

Betty Jane Ewen leaves the Presidency of the Senior Class to Thomas Field.

Emma Faye Guy leaves her shoe stamp to some dumb Freshman who likes to walk.

Winnie Golden leaves to spend the rest of her life with Elzie Monroe. That is if present plans work out.

Lily Marie Gilbert wills her sweet ways to Catherine Pace.

Cloyce Terrell leaves his "little genius" ways to Hoyt Curry. That doesn't mean, Hoyt that you should follow in his footsteps.

Patsy Williams leaves her sweet ways to Pat Dulaney.

Glen Terrell, William Shannon, and Leonard Noel leave PHS with smiling faces and happy (?) hearts.

Wesley McCulloch leaves his "Levies" to Joe Carver.

Melba Jean Yancey leaves the Joke Editorship to Johnny Hinds.

Claude Pruitt leaves to be in the Army Air Corps along with so many of our boys in the service.

Clara Samman leaves her ability to always look nice to Jo Wilmeth.

Vernon Collins and Frances Scheele leave together.

Maxine Brown leaves her half of the annual to some ambitious Junior.

Leo Baxter, Gwendolyn Bowen and Naomi Cantrell leave rather sadly but leave just the same.

John Thomas Boyd leaves his "ways with the women" to Herbert Hilburn. Too bad Herbert won't be here next year.

Otero Brown leaves her place in the Home Ec class to Iva Margaret Gaines.

Glen Gipson leaves Trig class to Miss Reese.

Bettye Martin leaves her sweet ways and winning personality to Eleanor Rodgers.

To Mr. Davidson we leave all the broken lockers and scattered books.

To the Juniors we hand down dear old PHS and everything in it worth having, with all our rights. We hope they continue to hold the torch as high as we did.

It has been a pleasure to have you on the 'cus. best luck to you!

VICE-PRESIDENT
DAVIS HORNE

SECRETARY
MARTHA ANN TULL

We, the class of 1946, have now entered and finished our second year of high school. By now, our shyness has left and in its place are confidence and ability. We have maintained a good reputation though our first two years of high school life and we will strive to keep it good throughout our remaining years.

We have displayed good judgment in our election of class officers and favorites. We elected Jack Weldon as president, Davis Horne, vice-president, and Martha Ann Tull, secretary. We chose Jack Weldon and Georgia Mixon for our class favorites.

The sophomore class was well represented in the athletic field. We contributed some very valuable players to the football team this year. When the basket ball season came around some of the most outstanding players were Sophomores.

The end of this year is the half way mark in our high school education. We look forward to our remaining years with expectation. We would like to be an example to the classes to follow us. We are proud of Plainview High School, and we are going to make it proud of us.

PRESIDENT
MAURICE CARLTON

SECRETARY
BARBARA ANN RUSSELL

VICE-PRESIDENT
GENE WELDON

September 13, 1943 was an exciting day for Freshmen. This was the day they had looked forward to for eight years—about 250 strong they stormed Plainview Senior High School. With a great deal of vim, vigor and vitality the biggest class in school has been making a name for itself ever since.

A few weeks after school started the class selected their capable leaders. Maurice Carlton became the president and Gene Weldon the vice-president. Chosen as secretary was Barbara Ann Russell. Freshman favorites elected a short time later were Howard Byars and Mary Virginia Blair. Mrs. T. A. Nelson was appointed sponsor.

The record the class has made can readily be seen when one sees the school activities of the freshmen—A Capella Choir, the basket ball team, the football team, and Boys' Hi-Y. We were represented on the "A" football team and the basket ball traveling squad.

An unusual thing about the freshmen class is that a majority of its members have attended Plainview schools during most of their school life. We have found, however, that a number of our students came from different states, Oregon, Arizona, Georgia, Colorado, and Oklahoma.

Judging from our love, loyality and enthusiasm for our Alma Mater during this school year, we feel sure that upper classmen need never fear for the success of dear old Plainview High. We solemnly resolve to uphold the standard set by the preceding classes.

In Appreciation

of

Mr. R. W. Davidson

We, the annual staff wish to express our deepest gratitude to Mr. Davidson, who in his quiet, friendly manner has helped us in innumerable ways this past year.

We were extremely fortunate to get him for a sponsor, though before we came to know him we wondered how this stern principal would be to work with. We soon found him to be a person with a sharp mind, a good sense of humor, and an all-round good fellow. Without his never-ending patience, his jovial manner, and his deep understanding of human nature, this annual could never have been published. We again express our thanks to a great leader, Mr. R. W. Davidson.

AN ESSAY ON KISSING

People will Kiss! Yet only one in a thousand knows how to extract the maximum of bliss from ruby lips. And yet it is simple, at least for the initiates. Follow these directions for best results:

First: Know with whom you are clinching—don't make any mistakes, although a mistake may be a good one.

Don't jump like a cat for a mouse and smack the dainty thing on the arm, or in the ear, or on the head. She won't appreciate it and neither will you.

DO NOT BE IN A HURRY:

The gentleman should be taller, although this isn't absolutely necessary. He should have a clean face, and a mouthful of expression.

Don't be anxious to kiss in a crowd. Two are plenty to corner and nab a kiss, more would spoil the fun.

Take the left hand of the female in your right, let your hat go to H——! Throw your left arm over the shoulder of the lady and slip it around to her right side below her arm.

DO NOT BE IN A HURRY!

Her left arm is in your right—let there be a faint pressure on that, not like the grip of a vise, but a gentle grasp, full of thought, respect, and electricity.

DO NOT BE IN A HURRY!

Her head lies lightly on your shoulder. You are heart to heart. Look deep into her half-closed orbs. Gently, but firmly, press her to your vest. Stand firm, be brave but DO NOT HURRY. Her lips are almost open. Lean slightly with your head, take a careful aim, the the lips meet, the eyes close, the heart opens, the soul rides through tempests, but DO NOT BE IN A HURRY. Heaven opens before you, the earth flies from under you like a blazing rocket across the evening sky. Don't be afraid. No fuss, no noise, no fluttering, no squirming, should be your motto. You are twanging the golden chords of ecstasy so

DO NOT BE IN A HURRY!

Bulldog Schedule

We are proud of our Plainview Bulldogs this year. We started off with flying colors by beating Olney 14 to 0. Our second game was a 6-0 defeat by Electra. We lost 25-0 to San Angelo (this year's state champion's). The Bulldogs snapped out of it by a 26-0 victory over Midland. The last four games of the season were conference games. The first conference game was with Amarillo. The Bulldogs played a hard game with the Sandies but they had an advantage over the Bulldogs by having more and bigger men. The score was Plainview, 6; Amarillo, 33. In the next game our boys came out with a 19-0 victory over Brownfield. In the game with Pampa the home town lads didn't get started in time. We were defeated by a score of 30-0. The last (but not least) game was with Lubbock. The Bulldogs were really rampling and roaring. They did some beautiful passing. It seemed as if ever time one of our Bulldogs threw a pass it was completed. The Bulldogs well won their 26-0 victory over Lubbock.

Basketball Schedule

This year we had a Basketball Club for the first time in two years. Although we didn't win but one game this year, we expect to do a lot better next year. The boys didn't get started practicing in time this year. They had practiced only two weeks when they had their first game with Dimmitt. The Dimmitt team won district Championship last year and had been practicing ever since school started this year, so they were in good shape. The score was Plainview-14, Dimmitt-56. After having more practice we encountered Dimmitt again and did a lot better for they only beat us 7 points. The score was Plainview-19, Dimmitt-26.

We played two games with Abernathy next. Scores were Plainview-21, Abernathy-24, Plainview-17, Abernathy-37. Then we played Kress and won a sparkling victory of 25-22. But were defeated by Kress 23-25 in the next game.

We played Shallowater only to be defeated again. The conference games were all lost all of which were with Lubbock, Plainview-34, Lubbock-40, Plainview-41, Lubbock-53.

A farmer paying his first visit to the seashore, asked a boatman if he could buy some of the water to take home to his wife. The boatman assented and charged the farmer a quarter.

A few hours later the farmer returned to the shore. By now the tide had gone out, and the man gazed open-mouthed at the spectacle. "By Cracky, mister," he said, "you've done a good business today."

The dude and the hill-billy were both rear rank privates and occupied adjoining bunks in barracks. One day the dude inspected his toilet kit, glanced at his neighbor and demanded sharply, "Did you take my tooth paste?"

"No, I didn't take no tooth paste." came the answer, "I don't need no tooth paste. My teeth ain't loose."

The drunk leaned over the railing of the bridge and gazed perplexedly at the reflection of the moon on the water. A policeman walked by.

"Say, officer," called the inebriate," is that the moon down there?"

"Of course it is," answered the officer.

"Then how'd I get up here."

The Army cook had just whipped up orders of scrambled eggs for a mob of hungry soldiers. Wearied by his Herculean efforts, he sat down in a shady spot under a tree, yawned, lighted a black cigar, and wrote a letter to his sweetheart:

"Darling," he began, "for the past three hours shells have been bursting all around me."

Friend: "Ah sho thought youah Mose was froze to that job in the shipyard."

Mrs. Mose: "So did Mose, but he got to loafin', an' dey defrosted him."

Peebles: "I notice lots of people stop at this stand and ask the way to Long Pond. Where is it? I never heard of the place.

Jeebles: "Neither did I; I give 'em directions, but I often wonder where they wind up."

"What is your religion?" the recruit was asked. Promptly and smartly came the answer. "Militia, sir."

"No, no, I said 'religion'."

"Oh, 'religion', sir. I beg your pardon. I'm a plumber."

Will: "My wife told me what she thought of me last night."

Bill: "Are you looking for sympathy?"

Will: "No, I'm looking for a dictionary."

She: "Did you say you are a track man?"

He: "Am I, why I've got bruises all over my chest from breaking tapes."

A couple of colored boys were crouched in a shell hole while a barrage whanged away over their heads. "Look here, Rastus," said one, "ain't you skeert?"

"Not me," boasted the other, "Ain't no shell gonna come along got my name on it."

"Me neither," said the first fellow. "I ain't worried about my name on no shell. What I am worried about is, maybe there's one marked 'To whom it may concern'."

An annual is a great invention
The school gets all the fame,
The printer gets all the money,
And the staff gets all the blame.
